Welcome to NEC College

Thank you for your interest in our Professional Training Programs in Natural Medicine Sciences.

NEC College is a Post-Secondary Institution that has been established since 1996 and offers qualifying educational programs that are specifically designed to provide or improve a person's skills in a recognized occupation. Training programs are approved and recognized federally by Employment and Social Development Canada (ESDC) and tuition is tax deductible.

NEC College adheres to the strict standards of and is recognized and accredited by:

- Canada:
 - Employment and Social Development Canada (ESDC)
 - The Examining Board of Natural Medicine Practitioners™ Canada
 - Canadian Examining Board of Health Care Practitioners
 - GOCO - General Osteopathic Council of Ontario
 - Municipal Licensing and Standards Toronto
 - MARA - Maritimes Association of Registered Acupuncturists
 - Ontario Osteopathic & Alternative Medicine Association
 - PEI Association of Naturopathy Inc.
- International:
 - World Board of Natural Medicine
 - Medicina Alternativa Institute - Sri Lanka
 - Indian Board of Alternative Medicines
 - IAEWP (UNESCO - United Nations Education, Scientific & Cultural Organization)

Full-time training programs run for a duration of 15-20 hours per week and students are required to attend all scheduled classes. Upon graduation, Practitioners are eligible to apply to Organizations that offer trademarked designations / titles in advanced education.

If you would like further information please contact us.

Yours Respectfully,

Prof. June A. Kelly
DO, NMD (Int. Medical Graduate)
Founder
